

Platinum Package

Command greater visibility and engagement

100% MORE EXPOSURE THAN SILVER*

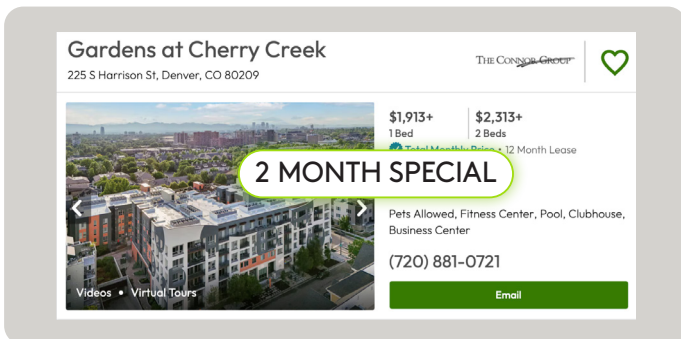

✓ Matterport 3D Exterior

Interactive 360° fly around that gives renters a complete exterior preview. Help them understand the full layout, surroundings, and scale of the property before they ever arrive onsite. Exclusively on Apartments.com.

✓ Retargeting

Serve your listings to interested renters on TikTok, Meta, and thousands of top sites as they continue searching, comparing, and narrowing options.

✓ Rent specials on placard

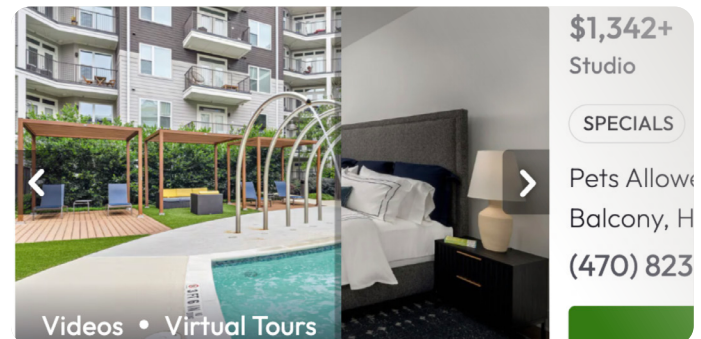

Show deals and promotions upfront in search results to capture attention early. Highlighting specials helps your property stand out and encourages faster engagement.

✓ Unit-level details

Include leads, amenities, date available, pricing, rent specials, plus photos and floor plan images

✓ Tour Scheduling & Apply Now features

Gain access to our highest-converting leads

✓ Carousel on placard

Renters swipe through your best photos right on the search results placard, size up your community before they click, and arrive already interested.

Multi-site exposure

Your listing appears on at least 6 leading rental websites

✓ CoStar Market Advantage™

Rent comparables, lead performance, listing quality reports
